

Glebelands Catch-up Strategies 2014/15

Catch up programmes are delivered to all students who are below level 4 in either mathematics or reading on entry.

Strategies used on the Year 7 catch-up programme are:

English

Literacy

Small groups (max 5) who work on spelling, reading and writing

Spelling

Diagnostic spelling looking at patterns and rules

1:1 support

Individual lessons tailored to student's needs

Toe by Toe

Phonics-based intervention requiring daily sessions for maximum effectiveness

Reading

1:1 where student and TA take it in turns or in a small group where students read the same book aloud and discuss

Mathematics

Numeracy group

Catch-up maths starting with basics eg times tables using numicon (max 5)

TA support in lessons

Could be used as a scribe, reader or to work with small groups

1:1 maths sessions

Individual lessons tailored to student's needs

Student interventions and progress made in English
